Are Your Kids Safe Online?

CYBER STALKING SEMINAR

Please attend my free seminar on how to detect online predators and protect your children on the Internet.

Know the facts...

- ✓ There are over 644,000 registered sex offenders in the U.S. and more than 100,000 are lost in the system.
- ✓ 52% of teens surveyed have given out personal information online to someone they don't know offline, including personal photos and/or physical descriptions of themselves.*
- ✓ 63% of teens surveyed said they know how to hide online activity from parents.*
